- In Spain there are **1 National** R&D funder + **17 Regional** R&D funders
- **National level:**
 - ✓ New Spanish Law on STI, released in 2011
 - ✓ Article 37: Open Access dissemination.
 - ✓ Green road open access
 - ✓ Open access copy available no later than 12 months
 - ✓ Evaluation processes still to take OA production into consideration
- **Regional level:**
 - ✓ Asturias and Madrid have OA mandate

- ✓ Spanish Research Performance Organizations landscape:
 - Public and private universities
 - National public research centers,
 - Regional public research centers,
 - Non-for profit institutions
 - Private research organizations

- ✓ 8 Public Universities registered in ROARMAP

- ✓ 22 Public Universities + 1 Public research centre signed the Berlin Declaration

- **RECOLECTA**: is the platform that will evolve into the OA portal of the General State Administration
- Created in **2008**
- It contains:
 - ✓ **274** repositories
 - ✓ **46** institutional repositories (DRIVER compliant)
 - ✓ **228** open journals

- 418 Spanish journals registered in DOAJ (Directory of Open Access Journal)
- Positive attitude from publishers to self-archiving
- DULCINEA project
- Academic presses embraced OA policies to all their journals collections and have OJS portals for their publications
 - ✓ CSIC
 - ✓ Madrid Complutense University
 - ✓ Murcia University
 - ✓ Polytechnic University of Valencia
 - ✓ Santiago de Compostela University
 - ✓ National University of Distance Education.
 - ✓ Salamanca University

- National projects:
